

UNITED STATES OF AMERICA
FEDERAL ENERGY REGULATORY COMMISSION

Maine Tidal Energy Company

Project Nos. 12666-002

NOTICE OF SURRENDER OF PRELIMINARY PERMIT

(June 10, 2009)

Take notice that Maine Tidal Energy Company, permittee for the proposed Kennebec Tidal Energy Hydroelectric Project No. 12666, has requested that its preliminary permit be terminated. The permit was issued on June 24, 2008.¹ The project would have been located on the Kennebec River between Chops Point and West Chops Point in Sagadahoc County, Maine.

The permittee filed the request on June 1, 2009, and the preliminary permit for Project No. 12666 shall remain in effect through the thirtieth day after issuance of this notice unless that day is a Saturday, Sunday, part-day holiday that affects the Commission, or legal holiday as described in section 18 CFR 385.2007, in which case the effective date is the first business day following that day. New applications involving this project site, to the extent provided for under 18 CFR Part 4, may be filed on the next business day.
